MERC PENDANT

MERC is a conical luminaire that consists of an aluminum plate on top, the shade in the middle, & an opal acrylic lens at the bottom. The lens is silicone sealed for full weather protection. The shade can be customized as fabric or vinyl. Decorative screws are built-in charming features at the top plate and at the bottom lens. Ceiling mounted ballast is the standard but there is a variety of mounting options and adders to choose from.

Name	Lamping		Fixture Lumens*	Color Temp	Electrical		Mounting	
MERC	MERC-24	48W LED (Max)	5,008 lumens	3000K	UNV	120-277V	AC	48" aircraft cable with canopy
	MERC-36	60W LED (Max)	5,641 lumens	4000K	HLV	347-480V	3AC-SPD	3 aircraft cables & spider mount connecting to a hub
				5000K			P	48" sturdy pendant stem
				RGBW			3AC-TR	3 aircraft cables converge to single canopy
							3AC-SPD-P	Combination of aircraft cables, spider mount, & pendant stem
